- Supplying web pages for your group and for each seller who wishes to participate in your fundraising event.
- Providing sales reports online 24/7 throughout your fundraising event.
- Processing all credit cards and incurring the costs and fees associated with credit cards.
- Packaging and shipping directly to the shopper any items ordered.
- Handling customer problems, complaints and returns.
- You will receive a profit check from Kind Fundraising for proceeds earned by your group during your fundraising event, approximately 2 weeks after completion of your event.

**How your groups’ profit is determined:**

Group profit is determined by your groups’ sales volume. The more your group sells, the higher your profit percentage. The profit will be calculated based on the cost of the item – and does not include the shipping and handling fee. Here are the profit levels:

- If your group sells up to \$1,000.00 your profit is 35%
- If your group sells \$1,000 to \$5,000.00 your profit is 40%
- If your groups sells over \$5,000.00 your profit is 45%
  - You will not receive profit on any "free items" offered through promotions such as buy 3 get 1 free

If you are close to the next profit level when running your event we can extend your selling period so you can encourage your sellers to make the extra effort to get to the next profit level.

**Simply Support Profits:**

You supporters will have the option of “Simply Support”. Simply Support is for those who don’t care to shop but still want to support the seller or your group. You will earn 70% on the \$10.00 & \$25.00 Simply Support option and 75% on the \$50.00 and \$100.00 options.

**Your close out report will detail the items sold and the profits you have earned.**
