

If you can forward an email, you can raise money with KindFundraising.com!

Here's how KindFundraising.com works:

- Kind Fundraising creates a web page that's personalized for your group. This is your selling tool, it's free and it takes about 10 minutes! It completely eliminates the need for paper catalogs and brochures that quickly end up in our landfills.
- Kind Fundraising sends your group contact an email with a link to your customized group page that should be sent to all group members (or sellers) so they may forward that email to all of their potential supporters (anywhere in the USA). When a supporter shops from the link, that group member will receive the credit for the sale and your group will receive the profit.
- Kind Fundraising provides a safe, secure and convenient shopping experience for your supporters, *giving them support options!*
- Kind Fundraising updates the online catalog frequently, providing high profit, popular and new exciting items. The products range in price starting at \$6.00 and include categories such as: Nuts & Snacks, Eco-Friendly, Precious Pets, Jewelry & Accessories, Collegiate and Decorative Flags, Gullah Gourmet food items, and more. (A few items are pictured below)
- Kind Fundraising provides an option for supporters who want to help, but don't want to shop. It's called "Simply Support".
- Kind Fundraising provides the contact person with access to reports (24/7) for tracking the progress of your fundraiser. You'll know which group members have sold, how much they have sold, and the current total amount of all sales. Profits range from 35% to 75%!
- Kind Fundraising processes orders and payments received through your group's efforts, ships the products directly to the buyers and sends you the "profit" by check within 2 weeks of the end of your fundraising event.

 ***No more door to door selling!***

 ***No more dealing with cash or checks!***

 ***No more tallying of orders!***

 ***No more delivery of product!***

 ***No more wasted printed catalogs with out of stock items!***

Perfect for busy group members with no time to sell:

- Band
- Orchestra
- Choir
- Cheer
- Gymnastics
- Teams and Leagues
- Parents!

Kind Fundraising is your group's very own online fundraising coordinator
